

Happy New Year

2025

Whatever happened was for good, what's happening,
is for good, and whatever will happen, will also be good.

You need no have any regrets for the past.

Do not worry for the future.

Notes

What did you get, that you cry? What did you bring, that you lost? What did you produce, which has been destroyed? You did not get anything with you, whatever is there; you received here. Whatever you will give, you will give here. Whatever you took, was given by God. Whatever you gave, you give to Him.

Notes

Change is the law of the world. What you think of as death, is indeed life. In a moment you become the owner of millions; in the other instance you become penniless. I - thy, dispropotioned, my - yours, erase it from the mind, then everything is yours and you belong to everyone.

- Bhagvad Gita -
